

# 1. Open an Apple Developer account

---

## Step 1: Create an Apple account

If you don't have one yet, create an Apple account

1. Create your account at this address: <https://appleid.apple.com/account?page=create#!&page=create>
- 

## Step 2: Buy an Apple developer license

To be able to publish an application, and if you do not yet have one, you must purchase an Apple Developer license (\$ 99/year).

1. Click on the button **Start Your Enrollment** at the bottom of this page: <https://developer.apple.com/programs/enroll/>

can check to see if your organization already has a D-U-N-S Number and request one if necessary. They are free in most jurisdictions. [Learn more >](#)

### Legal Entity Status

Your organization must be a legal entity so that it can enter into contracts with Apple. We do not accept D/B/A, fictitious businesses, trade names, or branches.

### Legal Binding Authority

As the person enrolling your organization in the Apple Developer Program, you must have the legal authority to bind your organization to legal agreements. You must be the organization's owner/founder, executive team member, senior project lead, or have legal authority granted to you by a senior employee.

Start Your Enrollment

2. Connect with your Apple account

3. Read and accept the rules by checking the box and confirm by clicking on **Submit**

**Apple Developer Agreement**

1. **Relationship With Apple, Apple ID, and Password.** You understand and agree that by registering with Apple to become an Apple Developer ("Apple Developer"), no legal partnership or agency relationship is created between you and Apple. You agree not to represent otherwise. You also certify that you are at least thirteen years of age and you represent that you are legally permitted to register as an Apple Developer. This Agreement is void where prohibited by law and the right to register as an Apple Developer is not granted in such jurisdictions. Unless otherwise agreed or permitted by Apple in writing, you cannot

By checking this box I confirm that I have read and agree to be bound by the Agreement above. I also confirm that I am of the legal age of majority in the jurisdiction in which I reside (at least 18 years of age in many countries).

I'd like to receive marketing emails to stay up-to-date with Apple Developer news.

4. Then click **Join The Apple developer program**

## Getting Started

Download Xcode, learn how to build an app, and install it directly on your Apple device.

**Download Tools**  
Get started with Xcode, Apple's integrated development environment for creating apps.

**Build Your First App**  
Use Xcode to write a simple "Hello World" app to get familiar with tools, SDKs, and the Swift language.

**Join the Apple Developer Program**  
Membership in the Apple Developer Program includes everything you need to develop, distribute, and manage your apps on the App Store; you'll also gain access to beta software, advanced app capabilities, beta testing tools, and app analytics.

5. Click on the top left button **Enroll**  
**Apple Developer Program**

6. Click on the button **Start Your Enrollment** At the bottom of the page

can check to see if your organization already has a D-U-N-S Number and request one if necessary. They are free in most jurisdictions. [Learn more >](#)

**Legal Entity Status**

Your organization must be a legal entity so that it can enter into contracts with Apple. We do not accept (DBA), fictitious businesses, trade names, or branches.

**Legal Binding Authority**

As the person enrolling your organization in the Apple Developer Program, you must have the legal authority to bind your organization to legal agreements. You must be the organization's owner/founder, executive team member, senior project lead, or have legal authority granted to you by a senior employee.

**Start Your Enrollment**

7. Choose **Individual** if you publish as an individual, **Company** For a company and then on **Continue**

I develop apps as

**Entity Type**

Select

**Cancel** **Continue**

8. Complete the form, read and agree to the rules by checking the box and confirm by clicking on **Continue**

9. Review and confirm by clicking on **Continue**

10. Check the box **Automatic Renewal** If you want the subscription to be automatically renewed every year and validate by clicking on **Continue**

**Automatic Renewal**

Automatically renewing your annual membership ensures that your apps remain available and that you maintain access to membership benefits. You can change this setting any time in your [account](#).

By checking this box and clicking the Purchase button, I give permission to Apple to automatically charge the default credit/debit card associated with my Apple ID to renew my membership, subject to the following:

- I will be billed on an annual basis for € 99. Taxes may apply.
- I can cancel automatic renewal at any time up to 24 hours before my renewal date by unchecking the "Auto-Renew Membership" box in the Membership section of my account.
- Apple will notify me of the upcoming charge before processing my automatic renewal.
- If Apple changes the membership price, I will be notified of the new price before I am charged and can opt-out by unchecking the "Auto-Renew Membership" box in the Membership section of my account.
- If the payment for my membership cannot be transacted for any reason, Apple will not process my automatic renewal and will notify me with instructions on how to manually renew my membership.

**Cancel** **Purchase**

11. Re Connect if necessary

12. Fill out the order form and validate

---

## Step 3: Verify that the Apple account is ready

Connect to iTunes Connect via this page: <https://itunesconnect.apple.com/>

If you can connect and you have the icon **My Apps**, everything is OK.

# 1. Open your Google Play account

---

## **Step 1: Create or connect to a Google account**

If you don't have one yet, create a Google account or connect to an existing account on this page: <https://play.google.com/apps/publish/>

---

## **Step 2: Buy the Google Play license**

1. Read and agree to the rules by checking the box and validating
2. Enter your payment information and validate
